

# WINDOW SCREENS COLOURS

All our doors come in a wide selection of colours to suit your taste and style of house.

# COLOURS

All our window screens come in a wide selection of colours to suit your taste and style of house.

## STANDARD COLOURS

All our window screens come in a wide selection of colours to suit your taste and style of house. Choose from any of our standard colours below for your window screens.

## POWDER COAT COLOURS

High quality thermostatically applied dry powder paint applied to create a smooth hard finish that is tougher than regular paint. Highly resistant to chipping.

**IMPORTANT NOTE:** Printed or on-screen representations of colours are very difficult to replicate exactly. Our technicians carry samples of our standard colours on actual metal samples to all measure & quotes so you can see the finished product and choose the best colour for you.

## ANODISED FINISH

Like powder coating, anodizing is a process that makes the surface corrosion and wear-resistant. These 2 colours are also available as standard colours on our Aluminium framed doors.

## SPECIAL COLOURS

A selection of the next most popular colours, the 8 special colours are available for a small extra charge.

## CUSTOM COLOURS

We can custom make with any colour in the **Dulux Powder Coat Range** ([www.duluxpowders.com.au](http://www.duluxpowders.com.au)) or **Interpon Powder Coat Range** ([www.interpon.com.au](http://www.interpon.com.au)). These are powder coated to order locally by our specialist sub-contracting metal finishers and incur an additional charge and approximately 10 days additional manufacturing time.

**Custom paint colour matching service available**

**IMPORTANT NOTE:** Printed or on-screen representations of colours are very difficult to replicate exactly. Our technicians carry samples of our standard colours on actual metal samples to all measure & quotes so you can see the finished product and choose the best colour for you.
